[Accessibility Statement for SW Bits, Ltd.](#)

Accessibility is important to us, and we take it very seriously. If you'd like to learn more about our efforts to comply to WCAG 2.1 AA compliance by the end of Q4 2024, please see the Conformance Status section next, or reach out via the Feedback section below.

[Conformance Status](#)

As of this writing, we are working to build new tools, surveys, and dashboards, while updating accessibility as we progress, seeking to meet WCAG 2.1 AA by the end of Q4 2024 by use of the of the Information Technology Industry Council (ITI) VPAT® 2.5. To ensure robust delivery of these services, we may employ the services of a consultant who may utilize customized versions of such template(s).

Some of these efforts will include but are not limited to:

- The POUR Method (an adaptation of the Trusted Tester methodology)
- Automated tools.
- Consultation with consultant(s).
